Speaker:

**Avis Leung PT, International
Schroth Instructor and board
member for ISST**

Avis Leung is a physiotherapist who obtained her Schroth certification in 2008 from the renowned Asklepios Katharina-Schroth Clinic in Germany. In 2017, she founded Spineline rehab near Chicago USA, with a focus on scoliosis treatment, pelvic floor rehabilitation and other musculoskeletal issues.

Other than clinical works, she is an international speaker and educator and had presented multiple times in Society on Scoliosis Orthopaedic and Rehabilitation Treatment (SOSORT). She is now an international instructor and board member for ISST. Avis enjoys sharing her knowledge with other therapists so more patients with spinal deformities can be helped.

Participants will be certified as International Schroth Therapists upon successful completion and pass the practical examination at the end of the course.
