MCPD EXPRESS for HKPU members

26 August 2026

Dear Members,

In view of the implementation of Mandatory Continuing Professional Development (MCPD) for all physiotherapists in Hong Kong, HKPU has launched the **MCPD Express Scheme** to facilitate our members in fulfilling their MCPD requirements with maximum flexibility through world-class online learning platforms:

1. Physio Plus (Full Level) by Physiopedia

- **Over 600 Accredited Courses:** Comprehensive coverage spanning MSK, neurology, cardiorespiratory, paediatrics, geriatrics, oncology, sports, and professional practice (e.g., leadership, communication, mentorship).
- **Brand-New Physiopedia AI Assistant (PAI):** Embedded clinical mentor supporting you directly within courses to test clinical reasoning, clarify complex concepts, brainstorm differential diagnoses, and provide instant, cited answers.
- **Extensive Clinical Library:** Full access to over 130 rehabilitation textbooks, 190+ journals, 500+ technique videos, and 500+ expert masterclasses.
- **Exercise Prescription & 3D Anatomy:** Complete exercise prescription toolkit with patient-sharing features and integrated 3D anatomy models.

- **Global Accreditation:** Courses are internationally accredited (Australia, the UK, Canada, the USA, etc.), with downloadable certificates issued upon completion.

More information: https://members.physio-pedia.com/learn/

2. Masterclass by Physio Network

- **In-Depth MSK Masterclasses:** Access to over 50 expert-led masterclasses focusing on evidence-based musculoskeletal assessment and rehabilitation.
- **Monthly Updates:** A brand-new masterclass is added every month by international clinical experts.
- **Accreditation & Certification:** Internationally recognised CPD hours with certificates awarded upon module completion.

More information: https://www.physio-network.com/join-masterclass/

Advantages of the Bundled Online Course Platforms:

- **Hong Kong CPD Approval: The majority of courses on the two platforms are approved for CPD in Hong Kong under the HKPTB MCPD framework, with many recognised as Core Category I activities. For approved courses, the relevant Hong Kong CPD points and CPD code will also appear on the course completion/attendance certificate.**
- **Learn at Your Own Pace:** Flexible 24/7 access anytime, anywhere across desktop and mobile devices.
- **Evidence-Based Practice:** Optimise your day-to-day clinical reasoning and practical treatment skills.

Remarks

- Only HKPU members are eligible to register for these bundled online platforms at a considerable discount.
- HKPU will recruit members to register for the bundled online platforms for each annual subscription cycle (the scheme was launched in January 2024).
- The annual subscription fee is HK$ 1,200.00 for HKPU Life members & Full members. The 2027 subscription period runs on a calendar-year basis from 1 January 2027 to 31 December 2027; it is not a rolling 12-month subscription based on the individual member's enrolment date.
- Due to a limited quota, please complete the online registration form (link: https://docs.google.com/forms/d/e/1FAIpQLSdfz14QaXI5EJOgRvItqg5a3gO9ytNWzKBMm4xPKu7pf6ZoaQ/viewform) on a first-come, first-served basis by 27th November, 2026.
- The dates and methods for collecting subscription fees will be announced later.

Thank you for your attention.

Mr Kenneth Au-Yeung
President
